### How Your Vision Care Program Works

Eligible members and dependents are entitled to receive a vision examination and one pair of lenses once every plan year and a frame once every two plan years or contact lenses and contact lens evaluation/fitting once every plan year. (If you choose a frame, you will not be eligible for contact lenses for two plan years)

For your convenience, at the start of the program, you will receive two identification cards with participating providers in your zip code area listed on the back. At the time of your appointment, simply present your NVA identification card to the provider or indicate that your benefit is administered by NVA. The provider will contact NVA to verify eligibility. A vision claim form is not required at an NVA participating provider.

Be sure to inform the provider of your medical history and any prescription or over-the-counter (OTC) medications you may be taking.

To verify your benefit eligibility prior to calling or visiting your eye care professional, please visit our website at [www.e-nva.com](http://www.e-nva.com) or download our mobile app by searching NVA Vision, or contact NVA's Customer Service Department toll-free at 1.800.672.7723 (TDD line 1-888-820-2990) or NVA's Interactive Voice Response (IVR). Customer Service is available 24 hours a day, 7 days a week, 365 days a year. Any question any time.

If you are not a registered subscriber, you can still search our providers online by selecting the "Find a Provider" link on our home page. Enter group number 8356000001 or the group number on the identification card and enter in your search parameters. It's that easy!

\*Does not apply to Wal-Mart / Sam's Club or Lenscrafters locations or for certain proprietary brands. \*\*Does not apply to Wal-Mart/Sam's Club, Lenscrafters, Contact Fill (NVA Mail Order) and may be prohibited by some manufacturers. \*\*\*Pre-approval from NVA required.
